### Worth the Read:

There are lots of books available in our library for summer reading in many categories such as apologetics, current events, inspirational and encouragement, and many more. Each month we will feature a different book recommendation in the bulletin. If anyone would like to request a particular book or DVD to be added to the library, please speak to Ruth Ng, Maureen or Bridget.

***Trend-Savvy Parenting*** is from Focus on the Family Resources.

It is a short book about trends in our culture that have an effect on families.

***The Power of a Praying Teen*** is one of many other family/parenting books in our upstairs library.

Please remember to check the signup sheets  
**by the foyer stairs** for ways to serve.
